

# WRY MOON

Made in very small batches, we're proud to use our antique whiskey wash still then our handmade pot still to craft this unaged rye whiskey. These hand worked stills preserve the peppery, spicy cereal taste of rye which we love resulting in a moonshine full of character. Style: Peppery, cereal, full. Crafted for cocktails.

**DOUBLE GOLD MEDAL**  
2010 SAN FRANCISCO WORLD SPIRITS COMPETITION

**CORSAIR**
