PROFILE:

RYE SPICES
BARREL CHARACTER
SMOOTH AND RICH

PLAYS WELL WITH:

SWEET VERMOUTHS, SMOKE
LAVENDER, LEMON AND ORANGE

NOSE:

Chocolate, roast coffee and barrel tones give way to distinct dry rye spices and a light sweetness.

PALATE:

Immediate rye spice fades slightly and opens the door for barrel spices and vanilla. The mid palate is well balanced with everything you would expect from a well-crafted rye. The finish is smooth with hints of the chocolate rye coming through and then lingering on the tongue.
